Entourage Elixir- A Tequila Cocktail

posted July 24, 2015 | yields one serving

Inspired by the HBO® Series & Movie - Entourage. Also to celebrate National Tequila Day!

3 ounces good quality Tequila
half bottle (3.5 ounces) FeverTree Bitter Lemon Mixer
juice of one lemon and one lime
lemon or lime slice for garnish

Combine tequila and citrus juices in a shaker over ice. Shake well. Pour into tumbler glass over two ice cubes. Top with lemon mixer. Garnish with citrus slice.

Notes: If you can't find FeverTree Bitter Lemon or Sparkling Lemon, use any bitter citrus soda like San Pellegrino Pompelmo (grapefruit) or a brand you like. For the Tequila, I used Tequila Avi3n Reposado (my favorite) but Blanco/Silver or Añejo works fine too. Just make sure it's the good stuff.
