Superfruit Spritzer

posted Aug 13, 2015 | yields one serving

- 1/4 cup blueberries, fresh or frozen (approx. 16-18 berries)
- 1 jigger Açai Black Currant SuperFruit Syrup™
- 2 jiggers Gin (I used Damrak for its light, clean and floral notes)
- 1/2 jigger Cinzano Rosso
- Seltzer or club soda for topping
- Blueberries & mint for garnish

Add 1/4 cup blueberries to a shaker. Muddle gently until they release their juice. Add in a couple of ice cubes, along with Syrup, Gin, and Cinzano Rosso. Shake well. Strain into tumbler glass over ice. Top with seltzer water or club soda. Garnish with blueberries and mint leaf..
